WHY SHOULD YOU CHOOSE MATTHEWS FOLBIGG?

Our firm has been providing quality legal advice for nearly 60 years. We are one of the largest law firms outside the Sydney CBD and we exist to make a difference for our clients. We take pride in our work and in the role we play in helping our clients to succeed by finding solutions, resolving disputes, minimising risk, seizing opportunities and creating and protecting enterprise value and personal wealth. We offer a full range of commercial law services through a large team of experienced and practical lawyers and our clients benefit from FREE legal updates and access to informative webcasts.

WHAT WE DO

Amongst the vast range of services we provide:

- ✓ **Commercial Contracts** – We can prepare or review your commercial documents and advise you on the risks and opportunities they pose.
- ✓ **Corporate Governance** – Directors, officers and shareholders should all be aware of their rights and responsibilities under the Corporations Act, the company constitution and various other laws and regulations.
- ✓ **Franchising** - Whether you are a franchisor or a franchisee, our commercial law team at Matthews Folbigg can provide you with the legal guidance you require.
- ✓ **Intellectual Property** - Intellectual property is an increasingly important area of the law and our dedicated lawyers are ready to assist you.
- ✓ **Sale/Purchase of Business** - Buying or selling a business involves a number of complex legal and commercial issues.
- ✓ **Sale/Purchase of Shares** - A sale or purchase of business involves the sale and transfer of the assets of a business to a new owner, whereas a share sale or purchase involves a change in ownership of the company which owns the assets. A share deal also involves more risk and our lawyers can assist with the necessary due diligence.
- ✓ **Structuring Advice** - The choice of entity in which to conduct a business can have profound legal and taxation consequences. Our commercial law team are ready to advise you on the appropriate structure for your business.
- ✓ **Terms of Trade** - Terms of trade are essential for any business which sells goods or services.
- ✓ **Employment Law** – Our employment lawyers advise directors, managers and businesses generally across a broad spectrum of issues including work health and safety, discrimination, bullying & harassment, HR strategy, compliance and dismissals.
- ✓ **Litigation & Dispute Resolution** – Our litigation and dispute resolution team provides a comprehensive range of alternative dispute resolution and litigation services and have extensive experience in handling large and complex pieces of litigation.
- ✓ **Debt Recovery** – We provide a full range of debt recovery services.
- ✓ **Insolvency & Restructuring** – Matthews Folbigg is the only law firm in western Sydney which offers a specialist personal and corporate insolvency and restructuring service.
- ✓ **Environmental Law** – We assist clients to navigate the complexities of the environmental law and planning law framework.
- ✓ **Property & Strata law** – Whether your business buys, sells or leases retail, industrial or commercial property, we can assist.
